DIARY NOTES

25X1A

DD/S

18 September 1962

25X1A9a

1. [REDACTED] called regarding the following:

25X1A9a

a. He discussed with me [REDACTED] 29 June 1962 survey of the courier situation. (In all probability, Mr. [REDACTED] Manpower Task Force will probably recommend that DD/S follow up in the hope that some savings can be made in personnel.)

25X1A9a

b. He requested that he, along with Mr. Garrison, a DD/P representative, and I, meet to discuss a very sensitive contract. (This has been arranged.)

2. Both Mr. Kirkpatrick and General Carter telephoned me about the DD/R Table of Organization, staffing complement, space requirements, etc. I had a long meeting with Dr. Scoville and members of his staff to discuss this matter, and I have furnished General Carter a memorandum on my estimate of the situation. (See my memorandum dated 20 September 1962.)

3. [REDACTED] was in to brief me on DD/I plans for a special center which would put quite a number of additional elements behind the "barrier". (This is too nebulous at the moment to assess in terms of space and personnel, but it almost certainly has some implications for DD/S.)
